SPOOKY ACTION AT A DISTANCE

Some text here. I wonder if this is OK.

It is of course much slower than the lightning fast tup.

Advantages

Easily configured.

Look I cite Lion, Giraffe, and Capybara (2010).

That means I am awesome.

Plus I know math. as

Honest!

$$\int_0^\infty \sin x = ?$$

Well so what.

That's sort of math as well. Look it up.

I do TeX too

Bye. sd Hahaha
